ABOUT HELIX INSTITUTE

Helix Institute has established itself as a trusted name in guiding students toward academic excellence and success in competitive examinations. With over 18 years of experience, Helix has been at the forefront of preparing aspirants for NEET, JEE, and school board exams through a well-structured and student-focused approach. Our unique teaching methodology, backed by quality academic content and meticulously planned schedules, ensures students receive the best support in their journey. Thousands of families place their trust in Helix every year for comprehensive and result-oriented preparation. Our goal is to lay a strong academic foundation that equips students to tackle the challenges of medical and engineering entrance examinations with confidence.

Shri M.L.Syal
Helix Institute (Founder)

ABOUT HELIX HEIGHT

Helix Institute proudly presents HELIX HEIGHT, a prestigious examination designed to uncover and nurture the untapped potential of students from Classes 7 to 10. At Helix, we believe that every student is gifted with unique talents and capabilities, waiting to be recognized and guided. HELIX HEIGHT is more than just a test—it is an inspiring academic journey that motivates students to push boundaries, discover their inner genius, and sharpen their intellectual abilities. This initiative provides a platform for young minds to explore their strengths in a competitive yet encouraging environment. Through HELIX HEIGHT, Helix Institute fosters not only academic excellence but also confidence and critical thinking, preparing students to face future academic challenges with clarity and courage.

PRIZES & SCHOLARSHIPS

Our ground-breaking Talent Hunt Examination – HELIX HEIGHT is designed to recognize academic potential and reward excellence. It offers a wealth of opportunities through exciting prizes, recognition, and merit-based scholarships for Helix courses.

A key highlight of HELIX HEIGHT is the opportunity it provides to deserving students to pursue their academic journey at the renowned Helix Institute, Chandigarh—a name synonymous with quality test preparation for NEET, JEE, and other competitive exams.

Top-performing students are granted substantial admission scholarships, making premium guidance and resources at Helix more accessible and affordable, while motivating them to achieve even greater academic milestones.

WHY APPEAR IN HELIX HEIGHT?

HELIX HEIGHT is a prestigious two-phase examination designed to identify, reward, and nurture students for their academic excellence and hidden talents. This exam opens doors to further learning and growth through cash prizes, recognition, and scholarships, supporting students in their educational journey.

HEIGHT PHASE -1

INSPIRING TALENT Phase 1 of the HELIX HEIGHT exam is open to all students aspiring to pursue careers in the medical or engineering fields, or those aiming to strengthen their academic foundation in subjects like Mathematics, Physics, Chemistry, or Biology. The objective of this phase is to identify and highlight each student's natural abilities and academic potential. Participants who exhibit outstanding performance are rewarded with prizes and certificates of participation and Scholarships in Helix courses for NEET & JEE, serving as a testament to their capabilities. These recognitions not only celebrate academic merit but also inspire and motivate students to move forward confidently in their educational journey.

HEIGHT PHASE -2 (HSAT)

INSPIRING GENIUS Students who want to apply for higher scholarships in Helix courses can appear in Phase-2 Exam, known as HSAT (Helix Scholarship cum Admission Test). HSAT is designed to assess a student's academic aptitude, subject mastery, and specialized skills. This exam evaluates the depth of understanding in their chosen areas of study and is a gateway to earning higher-value scholarships in the form of fee concessions for admission into Helix Courses. These courses are meticulously crafted to prepare students for competitive exams like NEET and IIT-JEE, targeting prestigious institutions such as AIIMS and IITs. The performance in HSAT is a key factor in determining the level of scholarship and financial assistance awarded to successful candidates, making quality coaching more accessible to deserving students.

SCHOLARSHIPS AND REWARDS

At Helix Institute, we are committed to identifying and rewarding exceptional talent. Through HELIX HEIGHT, we honor high-performing students with prizes and recognition, celebrating their achievements and encouraging them to reach even greater academic heights. These rewards not only validate their dedication but also inspire continued excellence.

The two-phase structure of the HEIGHT exam enables a comprehensive evaluation—assessing both natural talent and academic aptitude. Prizes awarded in Phase-1 recognize hidden potential, while Phase-2 (HSAT) offers an opportunity for students to earn scholarships and fee concessions for Helix's specialized coaching programs.

Based on their performance in Phase-2, selected students can enroll in Helix Institute's NEET and JEE preparation courses, gaining access to expert guidance, structured study plans, and premium academic resources.

Ultimately, HELIX HEIGHT is designed to identify, nurture, and empower young minds—equipping them with the support they need to excel in their chosen fields. By fostering academic ambition and providing meaningful opportunities, this initiative inspires students to realize their full potential and make a positive contribution to society.

SCHOLARSHIPS BASED ON HSAT (HEIGHT PHASE-2) RESULT

Scholarships in the form of Fee waiver in Helix Courses

Amount of Scholarship in 2-year course for NEET/JEE		Amount of yearly Scholarship in 9th & 10th course for NEET/JEE Foundation

PRIZES OF SCHOOL TOP RANKERS

SCHOOL RANKERS	PRIZES	RECOGNITION & SCHOLARSHIPS
1st Position	Trophy	Certificate + Scholarships
2nd Position	Trophy	Certificate + Scholarships
3rd Position	Trophy	Certificate + Scholarships
*Note: School topper awards are applicable for those schools who have registered with us for Helix HEIGHT		

1. Student's State/District will be considered based on their current school address.
2. Overall Rank List will be prepared by merging all HEIGHT Exams conducted on different dates from all states.
3. All India Top Rankers will be considered based on Overall Rank List of all classes.
4. In case of same score, Tie-breaker rule (mentioned under prize distribution policy) will be considered to assign the Rank.
5. All cash prizes mentioned above will be distributed based on prize distribution policy mentioned in the HELIX HEIGHT brochure.
6. In the above prize categories if a student is eligible for cash prize in more than one category then the higher cash prize among all would be considered.
7. Any tax deduction like TDS on winning prize money will be applicable as per rules of Income Tax Act of India.

PROCESS OF HELIX HEIGHT AND HSAT

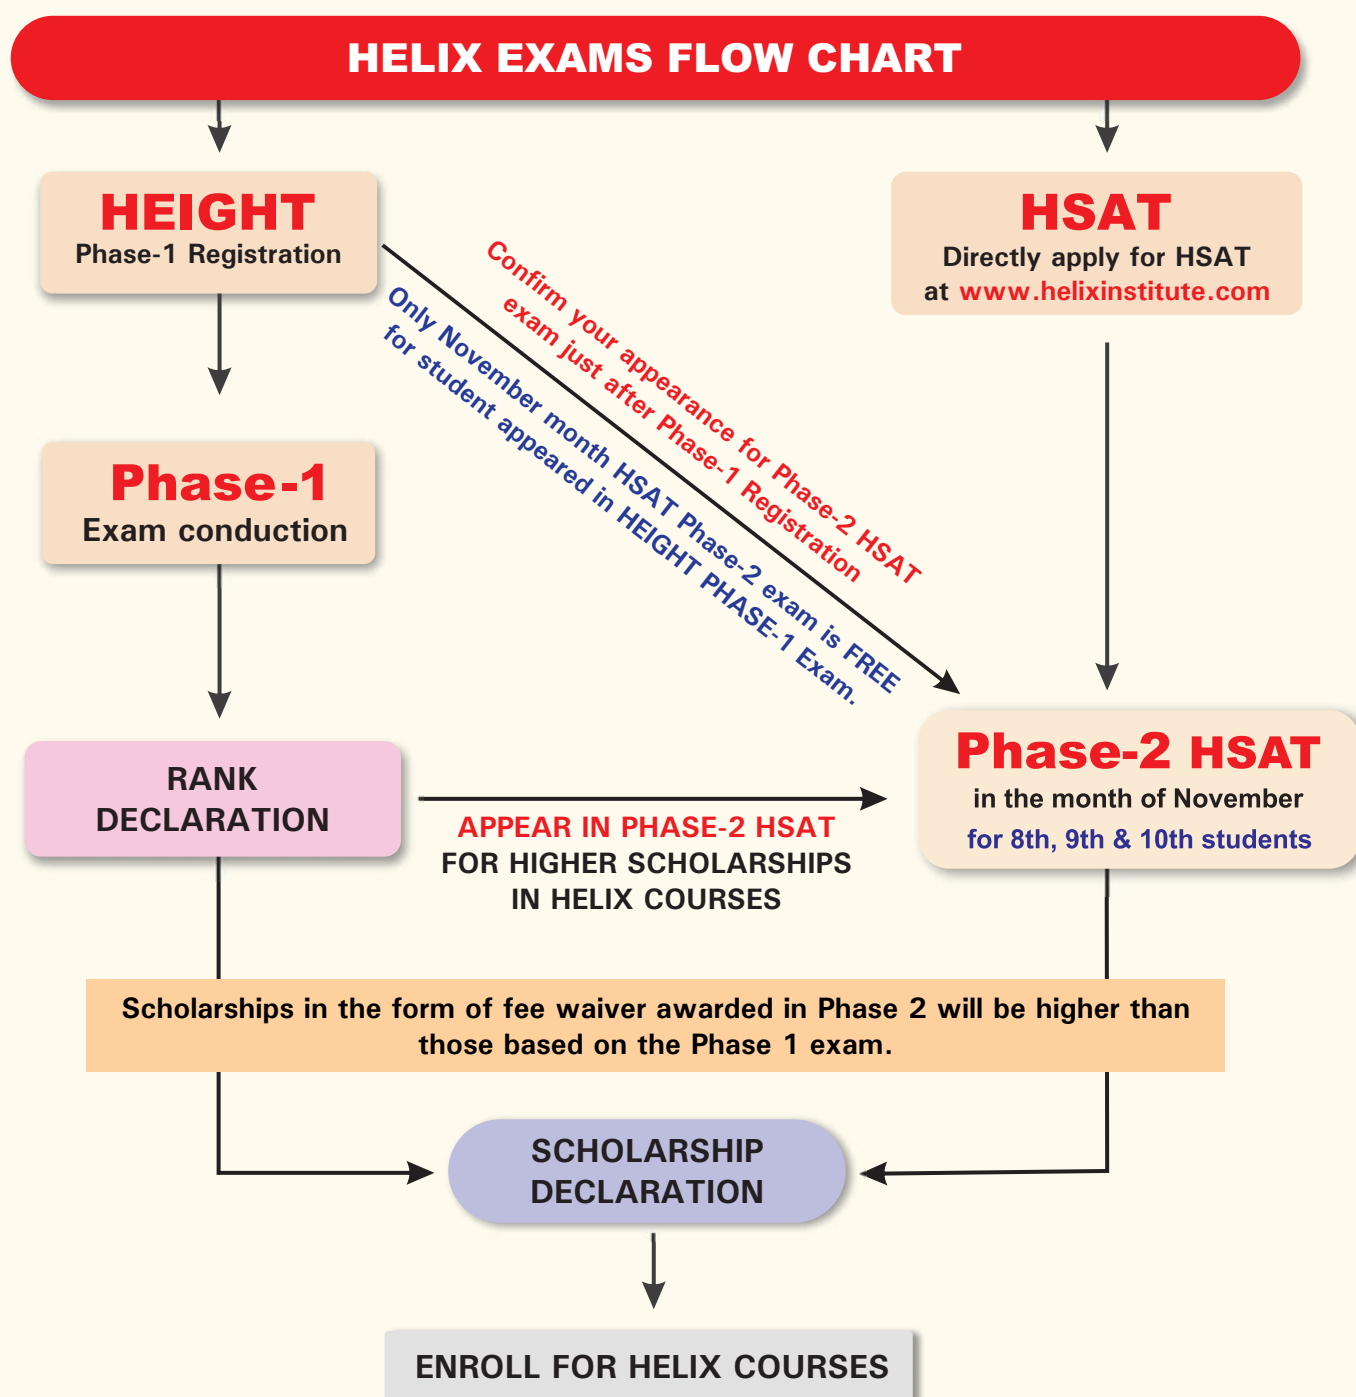

Phase-1 HELIX HEIGHT exam is open to all students aspiring to pursue careers in the medical or engineering fields, or those aiming to strengthen their academic foundation in subjects like Mathematics, Physics, Chemistry, or Biology.

Phase-2 Is to get higher scholarships in Helix courses known as Helix Scholarship cum Admission Test (HSAT).

Helix HEIGHT Exam registration fees is Rs.200/-. Candidates can register themselves by following methods.

Online at Helix Height Website : Visit www.helixheight.com. Register yourself by paying Rs.200/- online.

Offline at Helix Institute Chandigarh : Visit HELIX Institute, Chandigarh to get yourself registered.

SYLLABUS OF HEIGHT PHASE-1 EXAM

For Class 7th Students

PHYSICS 9 Questions

- Heat
- Motion and Time
- Electric Current and Its Effect

CHEMISTRY 9 Questions

- Acids, Bases and Salts
- Physical and Chemical Changes

BIOLOGY 12 Questions

- Nutrition in Plants
- Nutrition in Animals
- Respiration in Organisms
- Transportation in Animals and Plants

MATHEMATICS 18 Questions

- Integers
- Fractions and Decimals
- Simple Equations
- Lines and Angles
- The Triangle and its Properties
- Comparing Quantities :
 - Percentage
 - Decimal to percentage
 - Ratios to Percents
 - Profit or Loss as Percentage
 - Simple Interest

MENTAL ABILITY 12 Questions

- Blood Relation
- Number Series
- Direction Based Problems
- Mathematical Operations
- Missing Character
- Mirror and Water Image

Pattern: 60 Objective Type Questions with 4 options

Question Distribution (Total : 60)

Physics: 9, Chemistry: 9, Biology: 12,
Mathematics : 18, Mental Ability: 12

Marking Scheme : (+4) for correct answer

No Negative Marking for incorrect answer

Duration of Exam : 1 hr 30 min

For Class 8th Students

PHYSICS 10 Questions

- Force and Pressure
- Friction
- Sound
- Chemical Effects of Electric Current

CHEMISTRY 8 Questions

- Coal and Petroleum
- Combustion and Flame
(Combustion, Types of combustion, Fire)

BIOLOGY 12 Questions

- Crop Production and Management
- Microorganisms- Friend and Foe
- Conservation of Plants & Animals
- Reproduction in Animals

MATHEMATICS 18 Questions

- Rational Numbers
- Linear Equations in One Variable
- Understanding Quadrilaterals
- Squares and Square Roots
- Cubes and Cube Roots
- Comparing Quantities :
 - Percentage
 - Discounts
 - Profit or Loss as Percentage
 - Compound Interest
 - Goods and Service Tax

MENTAL ABILITY 12 Questions

- Verbal and Non-Verbal Reasoning
(Series and Analogy)
- Alphanumeric Problems
- Direction Based Problems
- Coding and Decoding
- Blood Relation

Pattern: 60 Objective Type Questions with 4 options

Question Distribution (Total : 60)

Physics: 10, Chemistry: 8, Biology: 12,
Mathematics : 18, Mental Ability: 12

Marking Scheme : (+4) for correct answer

No Negative Marking for incorrect answer

Duration of Exam : 1 hr 30 min

NOTE

- For 7th class students HEIGHT Phase-2 (HSAT) is not applicable.
- HEIGHT Phase-2 (HSAT) syllabus for 8th class students will be available at Helix Institute website www.helixinstitute.com
- Students who want to register for Phase-2 HSAT should register themselves immediately after getting Registered for Phase-1 at Helix HEIGHT website www.helixheight.com under their login dashboard.

SYLLABUS OF HEIGHT PHASE-1 EXAM

For Class 9th Students

PHYSICS 10 Questions

- Motion
- Force and Laws of Motion
- Gravitation

CHEMISTRY 10 Questions

- Matter in Our Surroundings
- Is Matter Around Us Pure?
- Atoms and Molecules

BIOLOGY 10 Questions

- The Fundamental Unit of Life
- Tissues (Plants and Animals)

MATHEMATICS 18 Questions

- Number Systems
- Polynomials
- Coordinate Geometry
- Lines and Angles
- Triangles
- Linear Equations in two Variables

MENTAL ABILITY 12 Questions

- Verbal and Non- Verbal Reasoning (Series, Analogy, Classification)
- Coding and Decoding
- General Logical and Analytical Reasoning
- Clock and Calendar
- Cubes and Dice

Pattern: 60 Objective Type Questions with 4 options

Question Distribution (Total : 60)

Physics: 10, Chemistry: 10, Biology: 10,
Mathematics : 18, Mental Ability: 12

Marking Scheme : (+4) for correct answer
(-1) Negative Marking for incorrect answer

Duration of Exam : 1 hr 30 min

For Class 10th Students

PHYSICS 10 Questions

- Light - Reflection and Refraction
- Human Eye and Colorful World
- Electricity

CHEMISTRY 10 Questions

- Chemical Reactions & Equations
- Acids, Bases and Salts
- Metals and Non-Metals

BIOLOGY 15 Questions

- Life Processes of Plants and Animals
 - Basic Concepts of Nutrition
 - Respiration
 - Transportation
 - Excretion
- Control and Coordination

MATHEMATICS 15 Questions

- Real Numbers
- Polynomials
- Pair of Linear Equations in Two Variables
- Quadratic Equations
- Arithmetic Progressions
- Coordinate Geometry
- Triangles
- Introduction to Trigonometry
- Some Applications of Trigonometry

MENTAL ABILITY 10 Questions

- Verbal and Non- Verbal Reasoning (Series, Analogy, Classification)
- Coding and Decoding
- General Logical and Analytical Reasoning
- Problems Based on Figures
- Clock and Calendar
- Cubes and Dice

Pattern: 60 Objective Type Questions with 4 options

Question Distribution (Total : 60)

Physics: 10, Chemistry: 10, Biology: 15,
Mathematics : 15, Mental Ability: 10

Marking Scheme : (+4) for correct answer
(-1) Negative Marking for incorrect answer

Duration of Exam : 1 hr 30 min

About HEIGHT Phase-2 HSAT

- HEIGHT Phase-2 (HSAT) syllabus will be available at Helix Institute website www.helixinstitute.com
- Students who want to register for Phase-2 HSAT should register themselves immediately after getting Registered for Phase-1 at Helix HEIGHT website www.helixheight.com under their login dashboard.

REGISTRATION FEES AND PROCESS

Helix HEIGHT Exam registration fees is Rs.200/-. Candidates can use any one of the following methods to get themselves registered.

Online at Helix Height Website : Visit our official website www.helixheight.com and register yourself and proceed to pay Rs.200/- (Registration Fee) Online.

Offline at Helix Institute Chandigarh : Visit HELIX Institute, Chandigarh and fill up the application form, providing accurate details and supporting documents as required and pay the registration fees.

TERMS AND CONDITIONS

1. **Form Validity:** Incomplete or incorrect details in the registration form will lead to cancellation. However, HELIX reserves the right to allow any disqualified student to appear for the exam upon successful completion of the form.
2. **Login Credentials:** Upon successful registration, you will receive a User ID and Password on your registered mobile number and email ID. These credentials will allow you to access the HEIGHT portal to download the syllabus and sample paper.
3. **Registration Fee:** The registration fee is non-refundable and non-adjustable under any circumstances.
4. **Data Consent:** You acknowledge and authorize HELIX Institute to collect and process the information provided in your registration form. This includes communication via SMS, Whatsapp, email, or phone call regarding the exam and future updates.
5. **Document Submission:** You are required to submit a self-attested photocopy of your Class VI / VII / VIII / IX mark sheet (as applicable) or a valid school ID card, along with one passport-size color photograph.
6. **Media Consent:** HELIX Institute reserves the right to record video or audio testimonials of students before, during, or after the HEIGHT exam for promotional and referencing purposes across various media platforms.
7. **Contact Information:** Students must only provide the mobile numbers and email IDs of their parents or legal guardians. HELIX may use recorded testimonials for marketing and public awareness campaigns related to HEIGHT and other institutional programs.
8. **Eligibility Restriction:** Only one student per class is allowed to register for the exam under all circumstances.
9. **Unique Contact Details:** Each student must register with a unique mobile number and email ID. Siblings are required to provide separate contact information.
10. **Misconduct Policy:** HELIX reserves the right to withhold results of any student found guilty of cheating or using unfair means during the examination.
11. **Prize Distribution:** All cash prizes and rewards will be distributed as per the "Prize Distribution Policy" outlined in the official Helix HEIGHT Brochure.

PRIZE DISTRIBUTION POLICY

- HEIGHT Phase-1 will be conducted on different dates across Himachal Pradesh, Punjab, Haryana, J&K, and Chandigarh.
- Result of HEIGHT Phase-1 will be declared by the end of November.
- A combined Overall Rank List will be prepared by merging students from all states of all the classes. All India Top Rankers will be selected based on this Overall Rank List. All cash prizes mentioned in the prospectus will be distributed based on overall rank (All India Rank) only.
- Tie-Breaker policy is used to assign ranks to students who secure equal aggregate marks. To break the tie, subject scores with following sequence will be considered. First Mental Ability score will be considered then Mathematics then Biology then Physics and then Chemistry score will be considered. If all subject scores are also equal then lower age student will be given higher rank. If date of birth of students is same then marks of last class passed will be considered to break the tie.
- Students will be eligible for Prizes, Awards, and Certificates based on HEIGHT Phase-1 result.
- Rs. 600/- HSAT fees which is going to be conducted in the November month will be waived off for students who appeared in HEIGHT Phase-1 exam. If they appear for HSAT in the month of December, January, February or March then they have to pay the registration charges for that HSAT Exam.
- To avail scholarships in HELIX Courses for Class 9th, 10th, and 11th (NEET/JEE), students must appear in HEIGHT Phase-2 (HSAT).
- Scholarships awarded based on HSAT rank will be higher than scholarships awarded based on HEIGHT phase-1 exam.
- Helix will announce the scholarship slabs after the declaration of HSAT result.
- Last date to avail scholarships based on HSAT result is 15th December.
- 100% amount of cash prize will be awarded only if the student takes admission in HELIX classroom regular course. Otherwise only 50% amount of cash prize will be awarded if the student does not take admission in HELIX classroom regular course.
- All cash prizes will be distributed in June/July during the Prize Distribution Ceremony held by Helix.
- Attending the Prize Distribution Ceremony is mandatory to receive the cash prize.
- No cash prize will be given before or after the ceremony.
- Helix reserves the right to hold results of any student found guilty of cheating.
- Cash prizes (HEIGHT Phase-1) will be paid by cheque in the name of the student.
- All scholarships awarded in HEIGHT Exam and HSAT will be in the form of fee concessions for Helix courses joined in the upcoming session of conduction year of HEIGHT exam.
- Any applicable TDS/tax will be deducted from the prize amount as per the Income Tax Act of India.

READ WHAT PREVIOUS YEAR SELECTED STUDENTS IN JEE SAY ABOUT US

I am Jasmanpreet, who has spent the last previous years preparing for JEE at the HELIX Institute. I have a fantastic experience studying at HELIX, one year offline and another online. My all teachers at the Institute were very helpful and hardworking, and they had put their best efforts in preparing us for JEE, due to which I secured a rank of 1630 in JEE Adv. Also the faculty has been doing their best in providing us the best material and facilities, and also conducting regular tests to check our progress. So I ask you to take a little time to consider, becoming a part of our family.

Thank You,
Jasmanpreet
IIT-Kanpur

My name is Rhythmpreet Singh and I have spent the 2 most precious years of my life preparing for JEE at the HELIX Institute. There's a saying that goes "Teaching kids to count is fine, but teaching them what counts is best." And I am really grateful to have come across such teachers during these most significant years of my life. It was the teachers' and the institute's perseverance and attention that helped me accomplish my goal of getting into an IIT. Finally, I would really like to thank all the teachers and the institute from the bottom of my heart.

Rhythmpreet Singh
IIT-Ropar

I am Gurpreet Singh. I did my preparation for JEE Mains and Advanced from PC Gupta's Helix Institute. The understanding of concepts is focused more on Helix rather than rote formula memorization. The study material, assignments, topic and practice sheets and tests are conducted in JEE pattern which make a student more than capable to crack it. The faculty and management look to the needs of the students and are always available. The facilities are well maintained and provide a healthy learning environment. My dream came true here as I secured 1116 rank in JEE Advanced, 2022 and I'm currently studying Computer Science at IIT Ropar.

Gurpreet Singh
IIT-Ropar

I am very grateful to the faculty members and Mr. H.L. Sood of HELIX Institute for their inspirations and guidance. The study material and hard work of teachers played very important role in my success. I would suggest everyone to join this institute and achieve your goal. I can never forget the role played by HELIX Institute in my successful life.
