Helix Institute (Founder)

ABOUT HELIX HEIGHT

Helix Institute presents an extraordinary event that will pave the way for your success. At Helix Institute, we believe that every student possesses unique talents and abilities waiting to be discovered. We are proud to present HELIX HEIGHT, an extraordinary examination designed to inspire and nurture the genius and to find the hidden talent within 7th to 10th grade students. Helix Institute understands that providing an environment of encouragement not only allows students to apply their skills but also nurtures their minds, preparing them for the challenges that lie ahead.

PRIZES & SCHOLARSHIPS

Our ground-breaking Talent Hunt Exam is designed to empower ambitious students with lots of Rewards, Recognitions and Prizes including offers of Scholarships in Helix Courses.

One noteworthy advantage of the Helix HEIGHT is the chance it provides students to study at the prestigious HELIX Institute in Chandigarh, known for its comprehensive test preparation programs. Successful students are awarded generous admission scholarships, making the Institute's resources and guidance more accessible and affordable.

WHY CHOOSE HELIX HEIGHT?

HEIGHT is a prestigious two-phase examination designed to recognize and reward students for their exceptional abilities and provide them with opportunities for further growth and development. This exam aims to identify the hidden talents of students and support their educational journey through cash prizes and scholarships.

HEIGHT PHASE -1

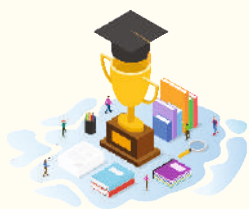

INSPIRING TALENT Phase-1 of the HEIGHT exam is conducted for all students, regardless of their future educational plans. The primary objective of this phase is to uncover the hidden talents and exceptional skills possessed by the participants. One of the key features of Phase-1 is the recognition and reward system. Based on the evaluation results, students who demonstrate outstanding performance will be awarded cash prizes. These cash prizes serve as a means to acknowledge their talent, motivate them to continue excelling in their respective fields, and provide them with financial support to pursue their educational aspirations.

HEIGHT PHASE -2 (HSAT)

INSPIRING GENIUS Phase -2 of the HEIGHT exam is known as the Helix Scholarship cum Admission Test (HSAT). HSAT focuses on assessing the academic potential, subject proficiency, and specialized skills of the participants. The exam is structured to evaluate the candidate's knowledge and understanding of their chosen fields of study. This phase is specifically designed to provide higher scholarships in the form of fee concessions for students interested in enrolling in Helix Courses. Helix Courses are specially designed to prepare students for NEET & IIT-JEE for admission in esteemed institutions like AIIMS & IITs. The results of HSAT play a crucial role in determining the extent of the scholarship and fee concession that will be granted to successful candidates.

SCHOLARSHIPS AND REWARDS

Helix Institute believes in recognizing and rewarding exceptional talent. Through Helix Height, we provide rewards in the form of prizes to deserving students who demonstrate outstanding performance. These incentives not only serve as a testament to their hard work but also motivate them to strive for even greater achievements.

By conducting the HEIGHT exam in two phases, it allows for a comprehensive evaluation process that considers both the overall talent and academic potential of the participants. The cash prizes awarded in Phase-1 acknowledge and appreciate the hidden talents of students.

On the basis of Helix HEIGHT Phase-2 Exam Performance, Helix Institute offers students an opportunity to pursue their career in the field of medical & engineering by joining Helix coaching classes to crack NEET & JEE examinations with attractive scholarships and fee concessions.

Overall, the HEIGHT exam aims to identify, nurture, and support talented individuals by recognizing their exceptional abilities and providing them with the necessary resources to excel in their chosen fields. Through this initiative, it is hoped that more students will be inspired to explore their potential, pursue academic excellence, and contribute to society in meaningful ways.

READ WHAT PREVIOUS YEAR SELECTED STUDENTS IN JEE SAY ABOUT US

I am Jasmanpreet, who has spent the last few years preparing for JEE at the HELIX Institute. I have a fantastic experience studying at HELIX, as you all know and another online. My all teachers at the Institute were very helpful and understanding, and they had put their best efforts in preparing us for JEE, due to which I secured a rank of 1630 in JEE Adv. Also the faculty has been doing their best in providing us the best material and facilities, and also conducting regular tests to check our progress. So I ask you to take a little time to consider, becoming a part of our family.

Thank You,
Jasmanpreet
IIT-Kanpur

My name is Rhythmpreet Singh and I was about to start my journey of my life preparing for JEE at the HELIX Institute. There's a saying that you "teaching kids to swim is fun" but teaching them what swims is hard. And I was really grateful to have some advice and advice during these most significant years of my life. It was the teachers and the students' perseverance and attention that helped me accomplish my goal of getting into IIT. Finally, I would really like to thank all the teachers and the students from the bottom of my heart.

Rhythmpreet Singh
IIT-Ropar

I am Gurpreet Singh, I did my preparation for JEE MAIN and Advanced from HELIX's Helix Institute. The understanding of concepts is focused more on Helix rather than rote formula memorization. The study material, assignments, topics and practice sheets and tests are conducted on JEE pattern which make a student more than capable to crack it. The faculty and management look to the right of the students and the change is really amazing environment. My dream was to get into IIT and IIT Kanpur.

Gurpreet Singh
IIT-Ropar

I am very grateful to the faculty members and Mr. H.L. Sood of HELIX Institute for their inspirations and guidance. The study material and hard work of teachers played very important role in my success. I would suggest everyone to join this institute and achieve your goal. I can never forget the role played by HELIX Institute in my successful life.
